Summary

A Bachelor of Computer Applications (BCA) student with a strong foundation in programming, database management, and web development. Adept at problem-solving, logical thinking, and applying technical skills to real-world challenges. Eager to contribute to innovative projects and continue learning in the rapidly evolving tech landscape

Technical Skills

Languages: HTML, CSS, JavaScript, Java, SQL

Frontend: React.js

Backend: Node.js, Express.js

Database: MongoDB, MySQL

Tools: Git, GitHub, Visual Studio Code

Practices: RESTful APIs, Agile, MVC, JWT Authentication

Experience

- Built MERN stack applications involving frontend UI, backend logic, and database integration.
- Worked in Agile teams for planning, development, and deployment.
- Collaborated via Git and GitHub for version control and issue tracking.
- Delivered responsive interfaces, secure API endpoints, and JWT-based authentication

Projects

• User Profile Management System

<https://user-profile-scwu-1yyhiweyv-venomaayan4-gmail.com's-projects.vercel.app/>

with user registration, login, and profile update functionality

- Built modular React UI with hooks and reusable components.
- Created RESTful backend with Express.js and Mongoose.
- Added JWT-based authentication, input validation, and secure routes. .
- Deployed frontend on Vercel and tested backend locally.

• WorldAtlas

An interactive React application to explore country data using routing and API integration.

- Implemented seamless page navigation using React Router DOM.
- **Fetches real-time country data** from APIs using Axios.
- Added search, filter, and sort functionality to improve user experience.
- Designed and managed forms to handle user input efficiently.

• React.js CRUD App with REST API

A React app for managing data using Axios and JSONPlaceholder API

- Designed reusable components and handled state management.
- Demonstrated CRUD operations: Create, Read, Update, Delete.

Education

Bachelor of Computer Applications (BCA) <i>CIMAGE College, Patna</i>	2022-2025
Senior Secondary (12th), PCM <i>B.K.G. School, Bihar</i>	2019-2021
Secondary (10th) <i>B.K.G. School, Bihar</i>	2019

Certifications

- **Java Programming** – IIT Bombay Spoken Tutorial
- **PHP and MySQL** – IIT Bombay Spoken Tutorial
